AGENDA

School Aims Statement:

- Enables every child to develop their true potential by recognising and meeting their individual needs in an inclusive school, creating a caring and creative environment, fostering a love of learning and helping each child to play an active and responsible role in their community.
- Values academic excellence achieved through an innovative curriculum incorporating both Jewish and general studies with high expectations of achievement for all children.
- Uses Jewish teaching as a source of inspiration and knowledge, while promoting respect, understanding and positive relations across the Jewish and wider community so that children of different backgrounds and beliefs learn from diversity and difference and value one another.
- Fosters a love of nature, the environment and outdoor activity so that the children develop self-confidence and learn how to enjoy, protect and take responsibility for the world around them.
