

Academic Achievement at Eden Primary: 2024-2025

As always, please note that when looking at percentages, since we are a small school with one class per year group, one child represents approximately 3%.

Year 6

Key Stage Two 'SATs'

% of children assessed at the **expected level or higher (EXS+)** and at **greater depth (GDS)**.

The end of KS2 combined score at EXS+ in Reading, Writing and Maths was 93.3% compared to a national average of 62%. The end of KS2 combined score at GDS in Reading, Writing and Maths was 21% compared to a national average of 8%.

This is an extraordinarily high set of results – indeed, the highest in Eden’s history, and include the highest-scoring individual child the school has ever seen (120/120/119 in Maths, Reading and SPaG). They also include some exceptional progress on the part of children who have overcome significant barriers to learning in order to achieve EXS and GDS in all subjects.
